Relevance of Additional source	24	15	1	NIL
Extent of efforts	23	16	NIL	NIL
Overall rating	24	15	NIL	NIL

Total Number of Student teachers = 47

College feedback analysis

2019-20

Qualitative Analysis of the feedback given by students/parents in written description.

- 1) Well adapted to online teaching and evaluation.
- 2) There is a need to have more activity-based class for monotonous topics. The students will be more interactive.
- 3) Marks and feedback should be given based on the efforts put in by the students for that particular assignment. Not in General.
